

# ME 456/556/556XE final project/essay submission requirement

*By Dr. Beiwen Li*

**Due date: May 6<sup>th</sup>**

## **Description:**

For ME 556/556 XE students (or ME 456 students who choose to lead or participate in a project).

Please upload your presentation file together with your project source codes with raw data/images, include a user manual if necessary.

**Submission: only one set of submission is needed for each team** (through canvas). For other team members who did not do the file submission, please write a text entry in canvas submission saying “**team up with xxx and xxx**”.

For ME 456 students who choose to write an essay

Please submit your essay through canvas, the essay writing should be **independent**, no teamwork allowed. Please check “Rubric\_Essay.pdf” for formatting and requirements.
